Refer to this Chart when Back Testing

Draw	1	2	3	4	5	6	Hits
2894	0	0	0	0	0	0	0
2895	0	0	0	0	0	0	0
2896	0	0	0	0	0	0	0

Enter the most recent draw number or an older one if you are "back testing" into cell C3

Once you have entered your draw number into cell C3 remember to click on any "blank" cell before clicking the "Start" button in order to begin calculations

It is recommended that you also try some Back Testing in order to check and optimize your current parameter settings this will help you to better predict the numbers for future draws Set the draw number in cell C3 back by 2 or 3 draws and check the results in cell K14
